Submits for sanction for 1880-1 the Budgets of the Municipalities newly established at Nagar & Shiralcoppe.

14.6.80
DKA

Shimoga District
Deputy Commissioner's office
Shimoga dated 10th June 1880.

To

The Secretary to Chief Comm.r
of Mysore
Revenue department

Sir,

With reference to the Chief Comm.rs Proceedings No. 6292-3 / No. 310 dated 23d. February last sanctioning the establishment of a Municipality at Nagar and Shiralcoppa, I have the honor to submit for early sanction Budgets for 1880-81 for these towns - and to state that for reasons stated in para 4 of my letter No 321 dated 13th March last, oil has been substituted for betelleaves among the dutiable articles for Nagar.

2. The main source of income of these towns is the house tax and mohatarfa; but as the season for collecting these taxes for 1880-81 commences in December next, I request sanction to advance from the general Municipal funds a sufficient sum in supplement of the octroi duties, which have been directed to be levied at once, to meet the cost of the conservancy establishment, which will be entertained from 1st proximo - 3 Sweepers have already been directed to be entertained from the 1st April 1880 for Shiralcoppa.

3. These budgets were not ready when those for the other municipalities were submitted with my No. 321 dated 13th March last.

I have the honor to be,
Sir,
Your most obed.t Servant

	Total	288	786	1074
	Estimated closing Balance	108	169	277

2 The Estimated receipt from Mombasa in Lagos seems small. The H/Commrs is authorized to advance the necessary sums not exceeding £200 each to the Municipalities repaying the same, if practicable, before the end of the official year.

3 The full scale of Expenditure need not commence till the latter part of the year, and this arrangement would leave the necessary surplus to start with next year.

By Order

Proceedings of the Municipal Board Shimoga dated Shimoga 5th March 1880.

Present.

1. Mr. Narasimmiyengar - President.
2. " Nagishriar, Amildar
3. " Manjappa.
4. " Vedantiengar
5. " Mojappa,
6. " Venkatappa,
7. " Honna Naik,

} Members.

1. Read remarks of the Commissioner of Nagar on the Proceedings of the last meeting, dated 20. 12. 79.

Resolved that the Amildar be instructed to buy and obtain a Contractor for supplying bullocks or buffaloes for the Municipal Cart on terms involving if possible a less expenditure than at present

At the same time, the Board submit that it is preferable, to get all alone, as the present Amani Management is under the circumstances very advantageous to the Board.

2 Read Correspondence ending with the Nagar Commissioner's Docket No 597 dated 2d February 1880, stating that the Jail Superintendent sees no present prospect of supplying a supply of cow. pits for Municipal Work.

have little to say in addition to their former representation the Subject. The Town owes a great deal to the liberality which insured Convict labour for it for a series of years, and in the present state of the local labour market, the denial of this indulgence will, it is feared, result in the suspension of the sanitary improvements which have been going on in Shimoga with signal success. The Board are quite prepared to pay for the guarding of the convicts applied for by them. In the absence of convict labour, the repairs &c will cost so much that with the limited assets at the disposal of the Board even many a necessary work will have to be postponed if not abandoned.

The Board are however very sensible of Doctor Benson's kindness in promising them till the close of the month the 30 convicts now employed in filling the Sandalkoti pit, and have agreed in return to throw into it all the available sweepings of the Town. The prisoners will be utilized for excavating the channel in the river-bed and for pushing on to completion the several works in progress.

3. Resolved that no rewards need be paid to persons bringing stray cattle into the Pound. It was proposed by Mr. Nojappa that a system of small rewards would abate the stray cattle nuisance and [illegible] increase

the revenue from the Pound. But the Board negatived the proposal, on the ground, inter alia that it will yield a premium for petty annoyances to owners of cattle and ponies.

4. The Board have had under their consideration the necessity for allotting more convenient plots of ground for burning and burying the dead of the Town and the Sillidari's lines. At present, the Townspeople suffer much hardship by having to carry their dead beyond the river about 2 miles from their houses, and the present burning ground is waterless. There is no question therefore about the necessity for ameliorating in the matter. But it is difficult to find a suitable ground. At some distance from the bridge and on the left bank of the river, there is a very likely bit of land, but the owner Somaya obstinately refuses to give it up. There is no other good site available, and the matter must be dropped till a more convenient opportunity occurs.

5. The Amildar submits a report on the question of adding the Mudari Palya to the Town Municipality. There is no doubt that the Palya favours Smuggling, and the Municipality would be benefited by adding it to the Town. But there are 2 parts of it, and opinion is divided as to whether both or only one should be so added. The Board therefore resolve that the President and certain Members should inspect the Spot and decide the question at a future Meeting

When further data are available.

5. At the instance of the President the Board resolve to make a rule to the effect that ponies and tattoos let out for grazing shall be hobbled, and that should any be found loose anywhere within the Town limits, it should at once be sent to the pound.

7. At the suggestion of the President the Board propose to add

Mr. Minor &
" M. Shaimanna,

as members to the Board, vice Messrs: D'Souza and John Davis.

8. With reference to the Commissioners' remarks endorsed on the Board's Proceedings dated 29 October 1879, relative to the parcelling out an area of the Kumbárgundi, lying to the west of the Krishnarajpura street, to the owners of the adjoining houses the Board find that the latter refuse to pay any rent, or take the ground on the terms suggested by the Commissioners. As it is not likely that any revenue can be realized for a long time from such sides in the Town, and as the making of plantain and vegetable gardens in the bed of the pit will undoubtedly conduce to the sanitary improvement of the locality, the Board propose to recommend that the land in question be granted free, but subject to the conditions enunciated in their proceedings of the 29 October 1879, as in

and accepted by the applicants.

9. Read the Budget of Receipts and Disbursements for the Town for the Official Year, 1880-81, submitted by the President.

The Board observe that a falling-off is inevitable in the house rates from the readjustment recently ordered by the Chief Commr. but the octroi on sea-imported piece goods will in some measure make up for it. The charges for repairs must also considerable, but it must be remembered that hitherto convicts did all the work of the Town gratis; whereas this useful supply of labour has been cut off as observed in para 2 supra. Under these circumstances, the Board resolve to pass the items budgetted for.

Signed V. N. Narasimmiengar
President

No 321. ex 3

Shimoga District
Deputy Commissioner's Office
Shimoga dated 12th March
1880.
Dlp 13-1

To

The Secretary to the
Chief Commissioner,
Revenue Department

Sir,

I have the honor to submit for early sanction the Budget Estimates of the Minor Municipalities of this District for the year 1880-81.

Excepting the Town of Sirsi which in which the old Municipal house-tax can only be levied until the claim of the Rameshwara temple to the Mohatarfa revenue is finally disposed of, for which the necessary information is being gathered as directed in Proceedings No. 8216-17 dated 8th January last half [25] of the receipts from the house-tax and of the Mohatarfa on Shops, Looms, Mills, and carts, has been entered under the assets.

2. As regards the octroi a Statement

is enclosed shewing the articles on which it was levied in the several towns before the receipt of the recent orders restricting the duty to the following articles only.

1. Betel leaves.
2. Cocoanuts (fresh & dry)
3. Tobacco.
4. Piecegoods other than the produce of Mysore

3. For the year 1880-81 no additions to these articles are necessary in the towns of Chamrajpet, Honnalli, and Nyamti. At Shikarpur, Oil, Animals for slaughter, Timber, and metals are proposed to be added as the Town is the largest in the District next after Shimoga, and is very deficient in respect of drinking Water supply, and funds are required for sinking wells, and other necessary works. The probable cash balance on 1st April 1880 is only Rupees 667.

4. It has been ruled that a combined duty of Sayar and octroi should be levied on tobacco, betel leaves, and cocoanuts in all the Towns; but the Amildars of the Malnad Talukas of Sorab, Sagar, and Koppedroog are unanimous in recommending that Betel leaves should be altogether exempted from duty in their towns

towns substituting oil for it Betel leaves required for these towns are imported from the Maidan Taluks at great cost and Wastage, as they are liable to dry up or rot in transit or when kept for any length of time. From a careful personal inquiry, I fear that the duty on betel leaves in the Malnad will be felt oppressive and will only drive the small trade in this article from the Municipal Towns. The reasons which render it a fair object for Municipal taxation do not apply in the Mal-nad, where the consumption is insignificant, and the octroi thereon will not compensate for the vexation and annoyance it causes. Hence I strongly recommend that betel leaves be exempted in the towns of the Malnad Taluks, and that oil be substituted therefor. Both oil and betel leaves have been calculated upon for those towns, but if my proposal meets with the Chief Commissioner's approval, the necessary alteration can be made.

5 For the Tirthalli town, Metal, Jaggery and Sugar are added.

6. The provisions made are for conservancy and repairs, and the only Original Works proposed are:- 1. The construction of drains at

Chamrajpet.

2 The Construction of steps
to Dandavate river, Sorab.

7. As sanctioned in Chief Comm's Proceedings No. 3880-1 dtd 23 October 1879, Mel 195
provision has been made for wheel barrows for all the towns except Chamagiri, where the carts will be retained. The wheel barrows are being prepared in the Shimoga Jail and as it will take some time before they are ready, the establishment according to the present scale will be maintained for the 1st quarter; and the revised scale of Establishment recommended in my letter No. 453 dated 24th September 1879 copy of which was submitted to you with the Commissioner's letter No. 457 dated Mel 16
6th October 1879, will be brought into force from 1st July, or earlier if possible.

8 The Expenditure for the year exceeds the estimated receipts a little in the towns of Chamagiri and Sorab, in consequence of the original works above named, and in Honnalli and Nyamti where the streets have never been but should be repaired but there are sufficient Cash balances in hand to meet the excess.

Para 9

9. With reference to the Chief Commissioner's Proceedings No. 6292-310 dated 23rd. February/80, sanctioning the Establishment of Municipalities at Nagar and Shiralkoppa, I have the honor to state that the Budgets for these towns will be submitted on receipt of details which have been called for from the Amildars.

I have the honor to be,
Sir,
Your most obedient
Servant

V. Narasimmayya
Deputy Commissioner
Shimoga District

Statement shewing the articles on which "The "Octroi" was levied in the Taluk Municipalities of the Shimoga District before the receipt of Chief Commissioner's orders for the revision of Municipal taxation.

O.C. 110.
Encl. One

Shimoga District
Deputy Commrs Office
Shimoga dated 4th June 1880.

To

The Revenue Secretary
to the Chief-Commissioner
of Mysore

Sir,

I have the honor to state that an Estimate for Rs 526 for sinking a well near the Barr Lines at Shimoga was sanctioned in June 78 by my predecessor Lieutenant Colonel Hill, with the consent of the Military Assistant, who agreed to contribute 1/2 the amount. The work was accordingly entrusted to the Shirastadar, but owing to unavoidable difficulties it was only begun, and was not carried on that year, and the amount provided therefor in the Budget for 1878-79 lapsed. The work was taken in hand in 1879-80 from the contribution Rs. 263 of the Military Department, and the remaining 1/2 of the estimated amount is now required to complete the well, but the moiety of Rs. 263 to be borne by the Municipality was inadvertently omitted to be entered in the Budget for 1880-81 submitted with my letter no 310 dated 9 March 80, for sanction — I beg to submit a revised portion of that part of the Budget for early sanction and incorporation. 71

be met from the Surplus of the Municipal Fund.

I have the honor to be,
Sir,
Your most obedient Servant,
[signature]
Deputy Commissioner
Shimoga District

Read

The Budget estimates of the 8 Municipalities in the Shimoga District for the year 1880-81, submitted with Letters Nos: 310 and 321 of the 10 and 12th March 1880 respectively from the Dy: Commr. Shimoga District.

2 Letters Nos 5936 and 5941 of the 20th and 23rd March 1880 respectively from the Dy. Accts. General returning the Budgets duly checked.

3. Letters Nos: 69 and 104 dated the 12th and 31st May and 4th June 1880, respectively, from the Deputy Commr. Shimoga District

Order thereon

The estimated Receipts and Expenditure of the Municipalities in the Shimoga district for the Official year 1880-81 are as noted below:-

Municipalities	Estimated Opening Cash Balance	Estimated Receipts	Total	Estimated Expenditure	Estimated Closing Cash balance
Shimoga	7,709	13,900	21,609	14,613	6996
Chennagiri	1210	969	2,179	1236	943
Honnali	2088	630	2,641	698	1943
Nanuty	2012	843	2,855	1,383	1,472
Ski Karpur	667	1,350	2,017	1384	633
Sorab	1213	695	1,908	768	1,140
Sagar	3596	1883	5479	1238	4241
Shikarpur	766	1150	1916	960	956
Total	19184	21420	46604	22280	1832

2. The income of the minor Municipalities consists, under the arrangements sanctioned in Proceedings No. 3362-73/Mc. 161 dated 27th September 1879, of a moiety of the House and Mohturfa Taxes and of the octroi collections on Tobacco, Betel leaves and Cocoanuts and an octroi on Piece-goods other than of Mysore manufacture which is subject to a separate loom tax, besides receipts from Pounds, Fines and miscellaneous items. The revision of the House Tax and Mohturfa in accordance with the above orders is not expected to affect the Municipal income. The Estimate rather shews an increase in some of the Municipalities. The House Tax should be shewn separately from the other items of Mohturfa in future Municipal Statements and the details of the latter should also be given.

Receipts - In

3. The Dy. Comm^r states that in the Municipalities

of

of the Madras statutes
duty on Betel leaves whic
have to be imported from
the Madras Talooks at
great cost is unproductive
and oppressive and
proposes to substitute
for it an octroi or oil
in these Municipalities.
This is approved. He
further recommends
the additional levy
of the octroi on oil
Animals for slaughter
timber and Metals in
Shikarpur and Jaggery
and Metals at
Thirthally. The estimated
income from these
additional articles is
so small, compared
with the total income
of the respective
Municipalities that
the Chief Commr deems
it undesirable to subject
the Municipal population
to the annoyance of
these additional imposts
especially as the octroi
arrangements must be
regarded as tentative
the whole question being
still under the
consideration of the
Government of India.

4. In the Shimoga Municipality the House and Abkhtwfa Taxes are wholly appropriated by the Municipality in return for its bearing the cost of the Police. These Taxes which were hitherto very unequal and oppressive have been revised in accordance with the instructions contained in the proceedings already recorded, resulting in a slight loss. 5. The Octroi on the Town is levied on a larger number of articles than in the other Municipalities. The estimated income from Tobacco shows a loss of upwards of fifty percent, as the town duty on the article which had hitherto been levied at one rupee per maund in addition to the large of twelve annas has now been fixed at a combined rate of one rupee to be shared equally between the Government and the Municipality. 6. The Octroi estimate of octroi on Piece Goods on the other hand shews a very

large

large increase 2 in
consequence of the
proposed extension of
the duty to Europe
Piece-goods. The measure
was ordered to be deferred
in the Municipality of
Chinpore, where the trade
is extensive. The same
objection does not apply
to the other Municipalities
of less importance and
the Chief Commissioner
will not object to the
proposed extension at
Shimoga. It must however
be observed that the
Piece goods are entered
amongst the exempted
articles in the proposed
"Town duties Bill" now
under the consideration
of the Government of
India, and any
arrangements connected
with it must be
regarded as temporary.
Should the duty be
eventually retained
better arrangements
than at present would
require to be made
in regard to it, as
the Piece-goods are
largely purchased in
the Head Quarter towns
by retail sellers for sale
in minor Municipalities

where they are liable to a further duty. It will therefore be necessary to provide, in regard to Piece-goods, for refunds being given on the articles re-exported from the Municipality or for the proceeds from the duty being shared ratably with all the dependant Municipalities any separate duty on the latter being dispensed with.

7. ~~For Similar reasons~~ The Chief Commissioner desires that the proposed extension of the duty to Metals and Timber be given up, as the estimated income from them is quite inconsiderable, and as it is undesirable to multiply the articles subject to taxation

8. The details of the estimated Receipts for the several Municipalities revised as above are shewn below

Details of the Estimated Receipts	Municipalities								
	Shencottah	Chencotta	Kunnathoor	Aryenkavoo	Sherkareyoor	Sooranad	Sagara	Thevalacky	Total
Octroi Class I (1) Jaggory & Sugar	350								350

XI Pounds —	300	125	65	36	200	50	161	30	961
XII Miscellaneous —	50	24	8	5	60	19	10	10	186
Total —	13900	969	630	843	1350	695	1883	1150	21420

9 With regard to the Expenditure, it is, as observed in the review on the previous years Budget Economically managed in all the Municipalities of the District. No charges are incurred on account of collection in any of the minor Municipalities and the Expenditure is confined almost entirely to Conservancy for which

which an establishment of Sweepers according to local requirements superintended by a Mentsuddy on Small pay is entertained the peon hitherto additionally employed being dispensed with. Wheel barrows for the removal of sweepings have been substituted for carts in all the Municipalities excepting Chennagiri as the more economical arrangement.

80 No provision having been made for the one-third share of the charges of the proposed Dispensary at Shikarpur, the omission has been supplied in this office.

~~80~~ 10 In the Shimoga Municipality, the expenditure under the various heads does not shew any material difference from that of the last year. The only material addition made is the provision of Rs 860 for the guard of the 50 extra Convicts allowed for general Municipal work

besides

besides the 2.5 Coolies already employed in Scavengering.

~~12~~. The Explanation required in para 10 of the Gov: No 1670-75 dd 31st July 1879 regarding the details of Lighting Charges has not yet been furnished. and the feeding charges of Conservancy Cattle and other items contains to be shewn under "Miscellaneous". These have now been transferred to their respective heads as it is necessary that all the charges appertaining to each head of the Budget should be shewn under it.

13 The more important Original Works provided for in the several Municipalities are shewn in the margin. Estimates should in the usual course be submitted for works costing more than Rs 200.

14 The Estimated Expenditure [illegible]

6	Sorab	1,213	695	1,908	768	1,140
7	Sâgar	3,596	1,883	5,479	1,238	4,241
8	Tirthahalli	766	1,150	1,916	960	956
	Total.....	19,184	21,420	40,604	22,280	18,324

Receipts—Minor Municipalities.

2. The income of the minor Municipalities consists under the arrangements sanctioned in Proceedings No. 5362-73—Ml. 161, dated 27th September 1879 of a moiety of the house and mohatarfa taxes and of the octroi collections on tobacco, betel-leaves and cocoanuts and an octroi on piece goods other than of Mysore manufacture which is subject to a separate loom tax, besides receipts from pounds, fines and miscellaneous items. The revision of the house tax and mohatarfa in accordance with the above orders is not expected to affect the Municipal income. The estimate rather shews an increase in some of the Municipalities. The house tax should be shewn separately from the other items of mohatarfa in future Municipal statements and the details of the latter should also be given.

3. The Deputy Commissioner states that in the Municipalities of the Malnad taluks the duty on betel-leaves, which have to be imported from the Maidan taluks at great cost, is unproductive and oppressive, and proposes to substitute for it an octroi on oil in these Municipalities. This is approved. He further recommends the additional levy of the octroi on oil, animals for slaughter, timber and metals in Shikarpur and jaggery and metals at Tirthahalli. The estimated income from these additional articles is so small compared with the total income of the respective Municipalities, that the Chief Commissioner deems it undesirable to subject the Municipal population to the annoyance of these additional imposts, especially as the octroi arrangements must be regarded as tentative, the whole question being still under the consideration of the Government of India.

Receipts—Shimoga Town.

4. In the Shimoga Municipality, the house and mohatarfa taxes are wholly appropriated by the Municipality in return for its bearing the cost of the Police. These taxes which were hitherto very unequal and oppressive have been revised in accordance with the instructions conveyed in the Proceedings already quoted, resulting in a slight loss.

5. The octroi in this town is levied on a larger number of articles than in the minor Municipalities. The estimated income from tobacco shews a loss of upwards

of fifty per cent, as the town duty on the article which had hitherto been levied at one rupee per maund in addition to the sayer of twelve annas has now been fixed at a combined rate of one rupee to be shared equally between the Government and the Municipality.

6. The Deputy Commissioner's estimate of octroi on piece goods on the other hand shews a very large increase in consequence of the proposed extension of the duty to Europe piece goods. The measure was ordered to be deferred in the Municipality of Mysore, where the trade is extensive. The same objection does not apply to the other Municipalities of less importance and the Chief Commissioner will not object to the proposed extension at Shimoga. It must however be observed that the piece goods are entered amongst the exempted articles in the proposed "Town Duties Bill," now under the consideration of the Government of India; and any arrangements connected with it must be regarded as temporary. Should the duty be eventually retained better arrangements than at present would require to be made in regard to it, as the piece goods are largely purchased in the head-quarter towns by retail sellers for sale in minor Municipalities where they are liable to a further duty. It will therefore be necessary to provide, in regard to piece goods, for refunds being given on the articles re-exported from the Municipality or for the proceeds from the duty being shared ratably with all the dependant Municipalities, any separate duty in the latter being dispensed with.

7. The Chief Commissioner desires that the proposed extension of the duty to metals and timber be given up, as the estimated income from them is quite inconsiderable, and as it is undesirable to multiply the articles subject to taxation.

8. The details of the estimated receipts for the several Municipalities, revised as above, are shewn below:—

Expenditure.

9. With regard to the expenditure, it is, as observed in the review on the previous year's budget, economically managed in all the Municipalities of the District. No charges are incurred on account of collection in any of the minor Municipalities and the expenditure is confined almost entirely to conservancy for which an establishment of sweepers according to local requirements, superintended by a Mutsaddi on small pay, is entertained, the peon hitherto additionally employed being dispensed with. Wheel barrows for the removal of sweepings have been substituted for carts in all the Municipalities, excepting Channagiri, as the more economical arrangement.

10. No provision having been made for the one-third share of the charges of the proposed Dispensary at Shikarpur, the omission has been supplied in this Office.

Expenditure—Shimoga Town.

11. In the Shimoga Municipality, the expenditure under the various heads does not shew any material difference from that of the last year. The only material addition made is the provision of Rs. 860 for the guard of the 50 extra convicts allowed for general municipal work, besides the 25 convicts already employed in scavengering.

12. The explanation required in para 10 of the Proceedings No. 1670-75—Ml. 92, dated 31st July 1879, regarding the details of lighting charges, has not yet been furnished, and the feeding charges of conservancy cattle and other items continue to be shewn under "Miscellaneous." These have now been transferred to their respective heads, as it is necessary that all the charges appertaining to each head of the budget should be shewn under it.

13. The more important original works provided for in the several Municipalities are shewn in the margin. Estimates should in the usual course be submitted for works costing more than Rs. 200.
